The Vernon Fork Regional Water District (the "District"), was previously established by Order of the Indiana Department of Environmental Management (IDEM), dated November 26, 2007, ("original Order"), for the purpose of constructing or contracting for distribution of water for municipal and rural supply needs. The Order stated the District shall file with the Commissioner of IDEM, a detailed plan for the construction and operation of the District's facilities by August 4, 2008. On or about July 29, 2008, the District Board petitioned to amend the Order. The First Modification Order was granted and extended the timeframe for the submittal of the district plan to September 30, 2009.

On or about September 18, 2009, the District, by its Board of Trustees, petitioned to amend the First Modification Order, pursuant to I.C. §13-26-1, by requesting an extension of time to file the District's Plan as described.

The Commissioner of IDEM now orders that the Order of November 26, 2007, forming the District and the First Modification Order, be amended. The Commissioner approves the District's request to extend the time to submit its district plan. The Commissioner hereby orders that the District submit its plan by December 15, 2010. In all other respects, the District shall remain subject to the terms of the Order dated November 26, 2007.

Pursuant to I.C. § 4-21.5-3-5(f) and I.C. § 4-21.5-3-2(e), this Order modifying the original Order forming the Vernon Fork Regional Water District, becomes effective eighteen (18) days after its mailing.
